Based opposite Iveagh Gardens, in Dublin centre, the bank's office at Park Place is well connected.

The map below shows the location of the office in relation to a range of key transport points in the local area, including a range of dublinbike locations, car club vehicles and public transport options.

YOUR PUBLIC TRANSPORT OPTIONS

TRAVEL BY BUS

Travelling by bus from the office at Park Place should be easy and convenient. Given the central location, there are a large number of bus services within just a few minutes' walk from the office.

The closest bus stops are located on Charlotte Way and Camden Street Lower. From these stops there are regular services to and from destinations including Dublin Airport, Harristown, Ashington, Kimmage, Dundrum and many more.

The majority of services in the surrounding area are operated by Dublin Bus, you can use their website to view timetables, find full route info, see service updates and much more.

TRAVEL BY LUAS

Harcourt Luas stop is just a couple of minutes' walk from the office at Park Place and sits on the Green Line, which runs from Brides Green to Broombridge / Parnell via Dublin centre.

Services run every 10 minutes on average, with a service up to every 4 minutes during peak periods.

The Green Line stops at a number of Park and Ride locations including Balally, which is a 14-minute journey away with 421 spaces and Stillorgan, which is a 19-minute journey and has 341 spaces.

TRAVEL BY TRAIN

The Park Place office is located within a 20-minute walk or 10-minute cycle ride of Dublin Pearse Rail Station, which has secure cycle parking available. The station offers regular links to a wide range of destinations via Dart and rail. Pearse rail station is ideal if you're looking for local commuting services.

If you're looking for longer distance, intercity services then Dublin Heuston is likely to be the best station for you to use. It takes just under 15 minutes to reach by bike, or around 30 minutes on public transport. The station offers regular services to destinations such as Cork, Galway, Limerick and Waterford.

You can use TfI's journey planner to find the best service for you.

TICKET OPTIONS

LEAP CARDS

TfI's Leap Card is a convenient way to pay for public transport in Dublin and surrounding counties. When using the Leap Card, fares are up to a third cheaper than cash alternatives and you'll benefit from automatic capping around the Dublin area. leapcard.ie

CYCLE TO WORK SCHEME

Head to the MyBenefits page of the Flagscape portal to take advantage of the Government initiative offering access to bikes and accessories as a tax-free benefit.

TRAVEL BY CAR

Whilst there are times when it is easy enough to walk, cycle or hop on public transport, for some people and some trips the only realistic option is to travel by car.

That doesn't mean you can't do your bit for the environment and save some money when you do need to drive!

ARE YOU READY TO JOIN THE EV REVOLUTION?

With an ever increasing number of charging points available, as well as new and affordable electric vehicles (EVs) coming to the market, drivers now have greater choice and flexibility than ever before when it comes to making the switch!

USING A CAR CLUB

Becoming a member of a car club gives you convenient access to a car without all the costs and hassle of owning one. Reserve a car at a moment's notice and just pay for your what use!

There are a number of car club vehicles in Dublin centre, operated by either GoCar or Yuko, Toyota's Car Club. Both operators offer free on-street parking across Dublin for their vehicles and GoCar even have a number of fully electric vehicles for hire.

There are two GoCar vehicles right outside the Park Place office on Hatch Street Upper.
