ACTIVE TRAVEL

Cycling, walking and running are great ways to get and stay healthy!

If you live locally, travelling to work by bike or on foot can be a great way to fit exercise into your routine. If your commute is too far, why not consider active travel from one of the local train stations, jumping off the bus a stop early or parking your car a little further away?

There are shower and locker facilities on site to help with your active commute and plenty of covered cycle parking available, with a repair stand for any emergencies and pool bikes available to use!

If you're interested in understanding more about your active travel choices around Camberley and the facilities available on site you can download the Active Travel Guide by scanning here:

JOIN THE BIKE USER GROUP

As well as staying up to date with all the cycling related news at your office, including free regular bike checks, members of the Bike User Group (BUG) get exclusive discounts on bikes, accessories and bike servicing from Halfords.

CYCLE TO WORK SCHEME

Head to the MyBenefits page of the Flagscape portal to take advantage of the Government initiative offering access to bikes and accessories as a tax-free benefit.

TRAVEL BY CAR

Whilst there are times when it is easy enough to walk, cycle or hop on public transport, for some people and some trips the only realistic option is to travel by car.

The Camberley office benefits from car parking to assist when arriving by car but that doesn't mean you can't do your bit for the environment and save some money when you need to drive!

ARE YOU READY TO JOIN THE REVOLUTION?

With an ever increasing range of new and affordable electric vehicles (EVs) coming to the market, drivers have greater choice and flexibility than ever before. The Camberley office has a number of charging points for EVs, head to the website to find out more about costs and access to these points.

COULD YOU SHARE YOUR JOURNEY TO WORK?

Sharing your journey with just one other person could halve the cost of your fuel to get to work – all while helping to reduce congestion and doing your bit for the environment as well! Surrey County Council have an easy to use car sharing database which will match you with anyone else undertaking a similar journey.

USING A CAR CLUB

Becoming a member of a car club gives you convenient access to a car without all the costs and hassle of owning one. Reserve a car at a moment's notice, with bookings available from as little as £6 per hour.

There's a car club vehicle just around the corner at the Enterprise branch. Perfect if you're needing to make any unplanned trips but don't have your car at the office!
